

## **Hosting a Zoom Shabbat Oneg at Congregation Shir Ami**

*Thank you for offering to host!*

**Hosting a Zoom Shabbat Oneg is quite unique and simple**

**1. You will be lighting the Shabbat Candles & saying the Candle Lighting blessing.**

- a. You need to have candles ready to be lit. These candles should be placed so that they can be seen via Zoom by all attending.
- b. Cantor Abramson will let you know to unmute and do the Candle lighting.

**2. You will also do the blessing over the Wine & Challah at the end of the Service**

- a. You will need to have a glass of wine and a Challah for these blessings.

**3. If you would like you can make a Donation to Shir Ami or a charity of your choice.**

This donation will be acknowledged at the service

**See PDF attached for the blessings.**
