

CONGREGATION
Shir  Ami

July 5, 2022

Dear friends:

At 19 years – almost 2 decades! – strong, Congregation Shir Ami continues striving to capture the imagination and interest of our members:

- A new spiritual leader, Rabbi David E. Levy, will take our congregation on both a new and a familiar faith journey.
- Bimonthly services, regular Havdallah celebrations and holiday observances will keep Shir Ami on your calendar every week of every month during the year.
- Program, ritual, education, music, diversity and interfaith activities are relevant, thought-provoking and powerful, and are deliberately designed to impact our daily lives.
- The unsettled world around us can count on the compassionate and hardworking leadership of our Tikvah / Social Action.
- Technology has thrown open our doors to different types of engagement, communication and relationships in a way we have never seen before.
- And we are financially sustainable – fingers crossed may we stay that way!

Congregation Shir Ami must be doing something right.
We are because you are.

What you are doing right is joining Shir Ami. Our members are our soul and spirit. Without you, our congregational strength can weaken.

There is no time like now to become a member of Congregation Shir Ami.

We make it easy to join. We respect that everyone's ability to give through dues, donations and time varies and our values are to welcome members at a level that is comfortable for them. **Just complete the online [membership form](#) by July 31, 2022.** If you have any questions, call us.

When you become members of a congregation, you access the usual benefits of synagogue life – worship, education and community. At Shir Ami, you also experience something unique intangible – a sense of well-being from belonging to a warm, intimate and caring community where deep faith breeds lifelong friendships. We look forward to hearing from you. Thank You!
