

Hosting a Kiddush Lunch at Congregation Shir Ami

Thank you for offering to host!

In addition to providing the food for the Kiddush lunch, the hosting family is invited to:

- Will be invited to the bima by the Cantor to do something during the service.
- Hold the Kiddush Cup for the blessing at the lunch.

The Kiddush lunch may be hosted by one family, co-hosted by 2 families, or hosted by a group or committee. You may choose to host *just because*, or in honor/memory of a special person or occasion. Below are instructions to help you plan and prepare. To sign up to host please contact our Ritual Chair at the number below.

The hosting family is responsible for all set-up and clean-up of food and drinks. Plan to arrive at 9:15 AM for set up (service begins at 10). The maintenance team at FPC generally leaves a cart outside by the front door which you may use to transport your food and drinks to the 3rd floor where we hold the lunch. (the service is on the 2nd fl)

- 1. For most Saturday Shabbat Services - plan for 20-25 people.** We ask people to pre-register so you will have an idea of numbers prior to the service.
- 2. Set-Up and Clean-Up:** The room will be pre-set up by the maintenance team at FPC with a large table to lay out the food – already prepared with a table cloth, bread board with cover and knife, trays with small cups for kiddush, coffee/tea. There are also 4 high cocktail tables in the room. There is a small kitchen just outside the room if you need it. All leftover food and serving pieces and décor that you bring must go home with you! It is often helpful to bring some zip lock baggies for leftovers.
- 3. Paper Goods and Serving Trays:** Please bring all paper goods: Cold cups, napkins, paper plates, plastic utensils if needed, etc. Also bring plastic trays, bowls or baskets that you'll need for food set up. (There may be some at the church if you need them)
- 4. Challah | Kosher Wine | White Grape Juice**
Each hosting family provides an unsliced Challah (cover on the bread board), kosher wine and white grape juice. Mini wine cups and serving trays for wine are provided. Hosting family is responsible for pouring wine/grape juice into cups before the end of the service. Put the trays on the high table close to the door or it is nice to have someone from your family stand at the entrance to the Kiddush with the trays of wine and grape juice to offer everyone a cup as they enter the room.
